

Fortnum & Mason Concierge

Fortnum's was one of the first retailers to take telephone orders, and in an increasingly impersonal world, we're proud to still have a team of experts just a call away ready to deliver a sense of pleasure to every client.

So whether you're organising a special celebration, sending large orders to clients and colleagues around the world, planning a wedding, or simply looking for the perfect personalised gift for a loved one, our dedicated Concierge team is always at your call..

Especially for City of London Livery Company & Guild Members...

Enjoy 15% off orders with our Concierge team until 30th September, 2020.
Simply call the team on +44 (0) 207 973 5602 or email Concierge@fortnumandmason.co.uk
and quote your Livery Company.

We look forward to speaking soon.
