Dear Master,

I wanted to write personally and thank you for the fantastic support Kingston University has received from the Worshipful Company of Coachmakers and Coach Harness Makers during this time of global crisis.

We are so grateful to you and the Worshipful Company of Coachmakers for your generous gift of £15,000 to our emergency student hardship appeal. As you may know, Kingston University has a significant proportion of students from non-traditional and disadvantaged backgrounds and these young people have been disproportionately affected by the current pandemic. We have seen a significant increase in demand for hardship funding and your gift will be of great help in enabling us to support students in need.

With very best wishes,

Professor Steven Spier
Vice-Chancellor
