Dear Mark

Our sincere thanks to The Worshipful Company of Coachmakers and Coach Harness Makers for the very kind donation of £1,000 to St Paul's Cathedral, which we received on 8th March 2021. Your ongoing support for the Cathedral is much appreciated and most welcome.

I am sure that you are already aware that the Covid-19 pandemic and the resultant loss of visitor income has had a considerable impact on the Cathedral's finances. We have had to undertake a cost saving restructuring programme and are earnestly fundraising to provide greater support for our work.

In these challenging times your gift is invaluable and enables us to sustain our work – from supporting our world-class music tradition of sung worship, to conserving the Cathedral's historic fabric, as well as assisting with the building of a new national memorial within the Cathedral. The memorial, Remember Me, will be freely available to the public and enable visitors to pay tribute to all those who have suffered and died as a result of the Covid-19 pandemic.

We are most grateful for the partnership that you have shown through your support to us over many years and we look forward to continue to share our plans with you in the months ahead.

Kind regards

Sarah Beddows
