A Webinar ‘Around the World in 80 Trees’ given by Jonathan Drori, CBE for The Liveries Wood Group and other Livery Companies On Wednesday 26th May at 6pm

Dear Fellow Liveryman and Freeman,

As the current Chairman of the Liveries Wood Group I am delighted to invite you to this webinar where Jonathan Drori, CBE has kindly agreed to give a presentation on his book ‘Around the World in 80 Trees’. Trees lay at the heart of the Crafts that are represented by members of the Liveries Wood Group and the Companies invited to join us, that is why we felt it most relevant to ask Jonathan to come and talk to us.

Jonathan Drori, CBE is a Liveryman and Court Assistant of the Stationers’ Company, a Trustee of The Eden Project and an Ambassador for the WWF. He has been a Trustee of the Royal Botanic Gardens, Kew and The Woodland Trust and was Executive Producer of more than fifty primetime TV series on science and technology. More information is provided on Jon’s website www.jondrori.co.uk including his contact details.

His book has received many plaudits, such as "Beautiful to behold and to read" - THE SUNDAY TIMES "An arboreal odyssey" – NATURE "One of the most quietly beautiful books of the year" – DAILY MAIL "Jonathan Drori's deep-seated love of nature is contagious in this tree-by-tree journey across countries and continents. A book to take your time over" – WIRED

The Livery Companies that make up the Wood Group are the Furniture Makers, Joiners and Ceilers, Turners, Upholders and Wheelwrights. We are also extending an invitation to the Basket Makers, Carpenters, Coachmakers, Coopers and Stationers, as we believe the subject will be of interest to them. You will all be most welcome.

If you and your guests would like to join this webinar on Wednesday 26th May at 5.45 for a 6pm start then please register at the link provided below.
