Dear Master, Dear Julian,

Amanda and I very much enjoyed last night's splendid banquet in Guildhall. What a magnificent evening - certainly a great Livery occasion but as you said when we met at the start of the night, a little different too. You brought together a wonderful mix of Livery tradition, charity and a great celebration of motorsports and the more champions so well! Many congratulations on a very special evening indeed.

It is fantastic to see the Coach makers in such good health. You have clearly been a very popular Master and achieved much in your year, while enjoying yourself too! Thank you for all you have contributed to the life of the Company and the wider Livery.

I look forward to seeing you at the gatherings of Livery masters in the next few weeks. Until then, many thanks again. With all good wishes, as ever,

Vincent
