

THE WORSHIPFUL COMPANY OF COACHMAKERS AND COACH HARNESS MAKERS OF LONDON

Aerospace University Scholarship Awards Open from September 2024

The Worshipful Company of Coachmakers and Coach Harness Makers of London is an active livery, which is investing in and supporting young people to develop engineering careers and to support their personal skills development.

The Livery are pleased to let you know that we are offering a series of financial awards to help young people with their career aspirations. All the awards are by competitive open public competition with applications made through the website. Award related information can be found via the links and the QR code below. Once the closing dates have passed those applicants selected for the short lists will be notified and invited to an interview process. The detailed timeline of each award can also be found online.

The benefits of these prestigious awards include funding to assist with what individuals are already doing or to pay for extra courses or training to help personal development. There will be great opportunities to meet industry leaders and managers as well access to mentorship programmes and other events with Coachmakers and sponsors.

THE SIR SYDNEY CAMM SCHOLARSHIP

This award is to help a young person studying for a bachelor's degree or wanting to develop a foundation or other qualification towards a degree by providing funds. The winner can undertake an additional or complete an existing project, to enhance their degree studies.

THE SIR FREDERICK HANDLEY PAGE SCHOLARSHIP

This award is for a young person studying for a master's degree to help fund their studies and to help the winner complete an existing project or an enhanced project to benefit their degree studies.

THE ERIC BEVERLEY SCHOLARSHIP

This award is for a young person studying for a PhD, to fund something extra to their course and to enhance their whole PhD study experience, by providing funds to support their project work, or conference attendance activities which may not be currently funded.
